Education

San Jose City College **Aug. 2021 – Present**
Associate of Science for Transfer, Business Administration *San Jose, CA*

- **GPA: 3.42**. President's List, Fall 2023. Studying part-time while working full-time.
- **Planned transfer: Spring 2029** to San Jose State University (Accounting Information Systems), working toward forensic accounting.
- **Coursework:** Financial Accounting (in progress), Legal Environment of Business, Introduction to Computer Information Systems, Python Programming.

Projects

AIS Audit Sandbox **2026**
JavaScript, built with AI assistance *aidaniciete.com/audit*

- Practice audit that generates a made-up company's policy, approval limits, vendor list and a year of payments.
- Three-way match of each PO, receiving report and invoice across eight exception types, such as split purchases.
- Found and fixed two errors in my own design: duplicate payments were double-counted in the at-risk total, and the answer key could flag issues the documents did not prove.

Experience

Maritz at Google – Bay View Event Center **May 2025 – Present**
Event Services Specialist, Event Center *Mountain View, CA*

- Supported 44 corporate events totaling 14,000+ attendees, with programs of up to 9 days and 11 spaces.
- Served as Lead ESS for 8 events of 175 to 1,000 attendees, directing onsite teams of up to 5, including a 537-attendee program at Hangar One during the venue's first events.
- Joined planning meetings 3–4 months out and turned requirements into task lists and team briefings.
- Coordinated catering, production and transportation partners on site, escalating issues beyond my authority.

Maritz at Google – Core Team **Nov 2022 – May 2025**
Event Services Specialist, Core Team *Mountain View, CA*

- Wrote post-event debrief emails documenting outcomes, operational issues and follow-up items.
- Conducted room-by-room audits three times a week to keep event spaces ready and report maintenance issues.
- Earned multiple Google host commendations for problem-solving and guest service.

Club Monaco **Aug 2022 – Dec 2024**
Stylist *Santa Clara, CA*

- Maintained inventory accuracy and merchandising standards while consistently exceeding personal sales goals.

Uniqlo **June 2021 – Aug 2022**
Supervisor *Santa Clara, CA*

- Performed loss prevention audits and maintained operational standards to reduce shrinkage.
- Supervised 15+ associates; nominated by my area manager for Uniqlo's Manager Candidate program.

Skills

Technical: Excel (VLOOKUP, PivotTables, XIRR), Google Workspace, Python (coursework).
Professional: Vendor coordination, onsite team leadership, client service, documentation and issue escalation.
